To Whom It May Concern,

This letter is to verify that Jordan Russell served in the Kansas Army National Guard for 1 year as a part-time videographer. He became a Kansas National guardsman in April of 2009 and was discharged in May of 2010. During his time as a broadcast journalist he completed several Kansas Army National Guard news clips and segments including a three week span working full-time as my production assistant. During that time Mr. Russell contributed to the research, writing, sound production, lighting, filming, and editing process of two separate mini-form documentaries.
